Confirmation

Herewith we would like to confirm, that the AbP (test certificate no. **PSAC 02 / 5.1 / 16 – 336**) from Germany issued **11.01.2018** and validity **10.01.2023** has been successfully renewed with validity until 2028.

The written version is still due to be issued by German testing/ certifying body (**MPA Leipzig/ Germany**).

This should happen within next weeks; however we do not have an influence on that process. We will provide a copy of the document as soon as available to us.
